

# Would you like to advertise with Level Best Art Cafe?

**The Leveller** is a local news hub magazine that we produce at the Level Best Art Café. It contains information on local charities and community groups and is funded through advertising space purchased by local businesses.

Each issue runs for 4 months and is distributed in our Café and other local outlets.

We produce 100 copies for each issue and offer a downloadable version from our website and social media.

Adverts are: £12 for a half page, £24 for a full page.

## Advertise with us the whole year?

We offer a yearly subscription in the month of January for half and full pages at £30 & £50 (saving you £6 & £12 overall and ensuring you remain in our print run all year)

## Don't have an advert to hand?

We can help you make one if you provide us with the information you would like. We can even take photos for you and make a professional looking advert as part of our computer training sessions and are happy to update/change the advert as required.
